Anne Hatløy

Nationality: Norwegian
Born: 01.06.1963
Place of Birth: Stavanger, Norway
ORCID: 0000-0002-3668-3216

Key qualifications

Research professor at Fafo and Associate Professor at Center for International Health, University of Bergen. More than 30 years of experience with implementation and analysis of quantitative and qualitative research projects in developing countries (West Africa, Uganda, Eritrea, DR Congo, Haiti) on child labour, living conditions, food and nutrition security. Profound experience in project management, 4 years working full time as deputy managing director, in addition, since 1989 I have been involved in project management (coordination/project manager) in more than 30 projects. Extensive experience with research cooperation with institutions in developing countries and in research administration.

Education

- 2019: Uniped: UPED620 (10 ECT), UPED622 (5 ECT) and UPED631 (5 ECT), University of Bergen
- 1999: Dr. Philos, University of Oslo. Thesis title: Methodological aspects of assessing nutrition security. Examples from Mali.
- 1991: Cand Scient, Nutrition, University of Oslo, Thesis title: "Akal Ahussan" - Det magre landet. Kosthold og ernæring blant tamashek-barn mellom ½ og 5 år i nærheten av Gossi-maren i Mali. [Akal Ahussan - the lean country. Diet and nutrition among the Tuareg children in the age of 6 months to 5 years living near Gossi in Mali].
- 1988: Cand Mag, Nordic school of Nutrition, University of Oslo (3 years)
- 1984: Divinity *Grunnfag* (Norwegian degree 1 year), Norwegian School of Theology
- 1982: St. Svithun Gymnas (High School), Stavanger

Languages

Norwegian (mother tongue), English (good), French (oral), Spanish (fair)

Professional experience

- 03/99 – current : Research professor, Fafo Institute for Labour and Social Research (from 08/14 in 70% position) 2001-10 Coordinator, from 2011-14 Deputy managing director, 2018- date: Research professor
- 08/14 – current : Associated Professor, Centre for International Health, University of Bergen (40% position)
- 08/91 – 02/99: Research fellow, Institute for nutrition research, University of Oslo

Countries worked in

Côte d'Ivoire, Democratic Republic of Congo, Eritrea, Ghana, Haiti, Liberia, Mali, Senegal, Sierra Leone, Uganda
