PROJECTS AND FIELDWORKS

- 2020-2022 Project Leader: "Forskningsbasert evaluering av læringsverktøyene «SNAKKE» og «Jeg Vet», applied research project funded by Bufdir. Overall project management, lead on qualitative research
- 2019-2020 Researcher: "Kompetansekartlegging og karriereveiledning", applied research project funded by IMDi. Responsible for qualitative research in Norwegian municipalities.
- 2019 Researcher: "Mellom grassrot og anbudsregimet" [Between grassroots and the tender regime], applied research project funded by Virke. Focusing on NGOs within health and social welfare and their experiences with the tender regime.
- 2016-2018 Project Leader: "Jihans bok: En kvinnes kamp, tap og overlevelse" [Jihan's book: a woman's struggle, loss and survival]. Book project partly funded by the Norwegian Non-Fiction Writers and Translators Association (NFFO)
- 2015-2016 Principal Investigator, qualitative research: 'Med oppholdstillatelse men i mottak', applied research project funded by UDI. In this project I am responsible for the qualitative research part, consisting of interviews and fieldwork among refugees in Norwegian municipalities, municipality officials as well as refugees still living in Norwegian asylum centres.
- 2014-2018 Principal Investigator 'Suspect groups in Norway': 'Searching the Unknown: discourses and effects of preventing radicalization in Scandinavia', collective research project funded by SAMRISK II program, the Research Council of Norway. This research entails 4 years of research on pro-Kurdish radicalization in Norway and Turkey.
- 2014-2017 Project Leader Norway: 'Slippery Suffering', collaborative research project funded by the Nordic Collaborative Research Fund, The Research Council of Norway. This research entails 18 months of fieldwork on the intersection between traumatized refugees and the welfare state in Norway and Denmark
- 2013 Project Leader: 'Normality in Limbo: irregular children in Norway', research project commissioned by Save the Children. Research on the everyday life and mental health of irregular children and their families was conducted in 5 reception centres in Norway.
- 2011-2013 Principal Investigator: 'Violence Expressed: a comparative study of testimonies of violence among Kurdish Activists', research project funded by a Marie Curie IE Fellowship. In this project I analysed 150 patient files of Kurdish and Turkish torture survivors in Denmark and conducted 1 month of follow up fieldwork among Kurdish torture survivors in Turkey
- 2007-2009 Project leader: 'One Hope for Women, Diyarbakir, Turkey'. This 100 000 Euro development project on reproductive health and gender equality was funded by the Austrian Development Aid, Municipality of Vienna and others. In the position as a project officer I conducted the pilot study and was responsible for the implementation as well as evaluation and project reporting.
- 2005-2012 'Ambivalent Victims: Conflict, Gender and Expressions among Kurdish Activists in Eastern Turkey'. PhD project, funded by the University of Oslo. This project entailed 13 months of fieldwork among Kurdish activists in Eastern Turkey.
- 2004 2 months of preparatory fieldwork for the PhD project was conducted in Austria and Italy
- 2000 - 2003 'Crossing: Separation and Ethnicity in Cyprus before 2004'. 7 months of fieldwork were conducted on both sides of the Cypriot island. The research focused on different bi-communal groups and activities, with a special focus on youth. The research was funded partly by the Interuniversity Committee on Cyprus as well as the University of Vienna
